

The phone system that helps dental practices build patient loyalty.

Whether you run an independent dental practice or work at a clinic, it's critical to deliver a positive patient experience. Ooma Office is the simple and affordable phone system that helps staff manage calls quickly and efficiently so you can focus on what matters – patient care.

Ooma Office, the #1 rated business phone service, delivers advanced capabilities that help improve staff productivity.

✓ **24 x 7 Virtual Receptionist helps you answer calls professionally and easily routes calls to extensions and ring groups.**

If you're unable to answer the phone when engaged with patients or it's after business hours, Ooma's virtual receptionist greets callers with helpful information to answer common questions. Patients can easily reach the right department or staff member.

✓ **Never miss a business call in or out of the office.**

Dental emergencies don't choose when to strike. With Ooma's mobile app, you can be on the move and return patient calls during or after hours from your business number without using your personal number.

✓ **Simultaneously ring different staff members.**

Custom ring groups simultaneously ring multiple team members. Don't leave patients hanging, keep them happy with prompt service.

✓ **Record calls on-demand or automatically.**

Each recording can easily be found, be played back and downloaded from the intuitive Ooma Office dashboard.

✓ **Automatically display patient details on incoming and outgoing phone calls.**

Patient Caller-ID Pops enable staff to deliver a personalized patient experience by equipping them with details such as date of birth, last visit, next visit and family members while taking or making calls.

✓ **Virtual faxing**

Empower employees to send and receive faxes without a traditional fax machine. Received faxes are routed to staff email addresses as a PDF file.

✓ **Free toll-free and local numbers.**

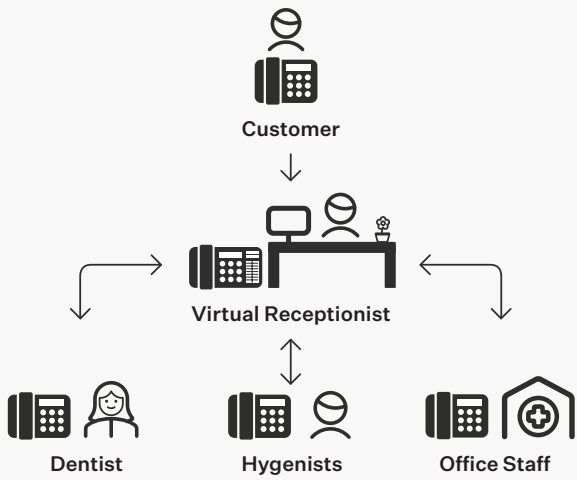

Eliminate long distance charges on calls between your office and insurance providers, and get a free 800 number for your front office.

Silicon Valley Dental

“Phones are our lifeline . . . (With Ooma), we got off the AT&T price increase treadmill. I would recommend Ooma to other dentists. It works really well in the dental environment. It's very easy to use, it's easy to set up and it just works.”

– Rajeev Jog

Silicon Valley Dental in Santa Clara, California

Ooma helps dental practices serve patients faster.

When patients call to schedule appointments, inquire about treatment or are just worried about their dental health it takes just seconds to park or transfer a call to the right staff member. You always deliver a smooth and efficient experience that builds loyalty and referrals.

Ooma Office offers three service plans with features designed to meet a variety of dental practice requirements. Pricing is all-inclusive with no surprise add-ons or setup fees.
